Expert Cost Allocation Consultation Services

Solix Allocate is grounded in decades of experience in cost allocation and compliance, offering your Health & Human Services (HHS) organization both actionable insights and peace of mind. Through our expert cost allocation consultative services and technology platform, we can seamlessly manage compliance and optimization, thereby providing a comprehensive and compliant solution. We partner to understand your unique needs and deliver customized solutions that support your success.

Solix Allocate provides:

Accomplished Expertise - Our team of accomplished experts delivers personalized services tailored to your specific needs. We ensure your cost allocation methods align with federal standards.

Navigation of Complex Regulations - We guide you through the intricate landscape of federal regulations and guidance, helping you remain compliant with evolving requirements. Our goal is to simplify compliance and reduce the potential for non-conformance.

Revenue Optimization - Beyond compliance, we approach cost allocation with a strategic eye on revenue optimization. Our services are designed to enhance your agency's financial performance and transparency.

Strategic Advice - We develop and deliver strategic advice to help your organization achieve improved outcomes.

Cost Allocation

Solix Allocate includes a proprietary cost allocation system which is configured to mirror each agency's Public Assistance Cost Allocation Plan (PACAP), and accommodate the complex cost allocation methodologies and reporting required by federal and state HHS agencies.

Time Study Development & Administration

Solix Allocate also offers robust and secure web-based solutions for Random Moment Time Study (RMTS), and time and effort tracking.
