Unparalleled Expertise in E-Rate and Rural Health Care (RHC) Funding

Solix Connect provides a comprehensive solution that enables our clients to maximize and fully utilize E-Rate and RHC funding. Our team possesses a unique understanding of these federal program requirements after having served as the program operations team for 20 years and serving as program consultants for over 10 years. Accordingly, we can expertly guide our clients through the required application process and help navigate any challenges that may arise.

Maximized Reimbursement and Cost Savings

Our team of consultants is committed to maximizing program reimbursements for our clients, and we work diligently to secure the maximum amount of eligible funding. We provide strategic guidance to organizations to optimize their broadband and technology investments. We have nearly 500 E-Rate and RHC clients in 32 states and have secured more than \$100M in funding on their behalf. By prioritizing compliance and adherence to rules, and actively monitoring relevant policy initiatives and Federal Communications Commission (FCC) rulings, we mitigate risks to ensure the sustainability of funding.

Proactive Communication and Efficient Outcomes

Solix Connect offers support tailored to each client's unique needs, delivering focused and relevant assistance. We openly and effectively communicate with clients throughout the entire application and funding processes, addressing questions promptly and providing regular status updates. Through proactive monitoring and communication, we are able to anticipate and address many potential challenges and drive efficient and successful outcomes for our clients.
