### Tested and Proven Educational Assistance Solution

**Solix Enroll** offers a proven solution that has been deployed to assist multiple states in administering statewide tutoring assistance programs. We understand the nuances and complexities of the Education market, and have designed comprehensive functionality into our modular solution. Our experience has driven successful and compliant outcomes, including processing \$11M in funding requests and reviewing 76K+ supporting invoices in a six-month period. Our financial disbursement module has also supported the disbursement of \$2.5M+ in approved funding.

### End-to-End Solutions

Our team has the expertise to handle all aspects of your educational assistance program operations from enrollment through authorized payments. **Solix Enroll** provides secure, web-based applications that can be used by parents, tutors, and oversight agency staff. Our solution includes a powerful combination of human touch + technology through online platforms supported by best-in-class Quality Assurance and multichannel customer care services.

### Proactive Communication and Efficient Outcomes

**Solix Enroll** can be quickly configured, in as little as 30 days, to meet the unique requirements of each state, agency, or program. We use scalable design methodologies to seamlessly handle increases in participation and program evolution.

### KEY BENEFITS

- Efficiently manage tutoring assistance programs and reduce administrative burden
- Distribute accurate and timely payments to tutors, enhancing stakeholder satisfaction
- Maintain high standards of fiscal oversight through rigorous Quality Control measures
- Multiple avenues to communicate with families in need and promote participation
- Easily adapt to varying program sizes and levels of complexity

### KEY FEATURES

- Integrated technology platform for accepting, reviewing, and tracking tutor services and payments
- Accurate invoice processing and payment
- Seamless data integration with state and agency systems
- Multilingual, multi-channel customer care to fully support program participants
