Collaborative Information

We understand that the success of child welfare agencies hinges on specialized knowledge and experience. Through Solix Pathways, we leverage our team's expertise in Title IV-E and child welfare financing, operations, and program administration to tailor an approach that best fits your unique challenges, needs, and goals.

Solix Pathways offers:

Child Welfare Financing - Comprehensive understanding of cost allocation, rate setting, and related financial aspects crucial to both funding and sustaining child welfare programs.

Field Operations - Hands-on experience in managing the day-to-day operations and approaches to overcome the challenges faced by child welfare agencies.

Program Development and Administration - Proven success in creating, managing, and enhancing child welfare programs and services, including the successful implementation of Family First initiatives.

Policy - In-depth knowledge of policy development and implementation to ensure alignment with regulatory standards and best practices.

Title IV-E Expertise - Extensive knowledge in Title IV-E, including eligibility determination and foster care reviews, ensuring effective management of federal funding and program requirements related to foster care, guardianship, adoption, and prevention services.practices.

Social Security Benefit Management - Managing and optimizing Social Security benefits to support children involved in the child welfare system.

Our broad expertise and collaborative approach support thoughtful, strategic solutions that drive success for child welfare agencies.
